COMMUNICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Correction to drawing

Attached hereto is a pen-and-ink sketch showing changes in red ink indicating the proposed drawing correction filed on April 15, 1999 (paper no. 2). In the Office Action of November 29, 2000, the Examiner stated that the declaration of S. Chatterjee first submitted on October 7, 1997, in the parent application, a copy of which was submitted on April 15, 1999, was persuasive to explain the changes to the Figures as stated in the Amendment of April 15, 1999. The Examiner indicated that the proposed drawing correction filed on April 15, 1999 had been disapproved because it was not in the form of a pen-and-ink sketch showing changes in red ink or with the changes otherwise highlighted. The present submission addresses this concern. Therefore, Applicants respectfully request approval and entry of said amendment.

References requested by Examiner

In accordance with the request by the Examiner in the Office Action of November 29, 2000, Applicants submit copies of the references listed as 23-94 and 96-102 in the Information Disclosure Statement (IDS) previously submitted in the parent application Serial Number 08/752,844, filed on November 21, 1996. The references accompanied the original IDS submission but were apparently unavailable due to unavailability of the parent file. Reference 95 will be submitted when it becomes available. The Examiner is requested to make these documents of record.

Should the Examiner feel that any other matter requires further consideration, he is invited to contact the undersigned attorney at (650) 813-5651.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 304142000201. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: July 18, 2001
